

# CA FOUNDATION

**BLUEBELL**

**EDUCATION  
ACADEMY**

## ABOUT

We are an Indian edtech company started by young and dynamic professionals. Our Academic excellence goes beyond theoretical knowledge or setting you up to memorize things, our courses are built around applied learning. Our team of experienced faculty members and industry veterans are committed and passionate about achieving our vision and mission.

## MISSION

Making our learners achieve their desired outcomes.

## VISION

Bluebell education envisions becoming India's leading institute by playing a predominate role in setting world class standard in professional and vocation education.

**Our key strength is conceptual clarity, focus on practical implementation of learning and providing holistic growth to all our learners.**

# WHY CHATERED ACCOUNTANCY?

1. JOB OPPORTUNITY + JOB CREATIONS
